

HOW TO ENTER YOUR FAIR EXHIBITS 2017

We want YOU to enter your exhibits at the Fair! Show off your hard work, and maybe even win an award ribbon and a premium check. Check the catalog and see what you can enter. It is easy and fun.

Fair Entries are accepted Saturday July 15, 1-4 PM and Monday July 17, 8 AM – Noon. There is no charge for an ID number, and, except for some livestock as noted in the catalog, no entry fees for entering exhibits.

FIRST: Go to the Fair Office at the Fair Grounds and register for your ID number. Then you will be given a sheet with two kinds of self-stick bar-coded labels for entry tags to give to the workers in each department as they accept your entries. We will need the following information to register you:
